"DAD" WATKINS TREATED BY  
SPECIALISTS IN ATLANTA  
BIRMINGHAM AND RICHMOND  
WITHOUT RELIEF.

Nearly everybody who has ever ridden a passenger train between Birmingham and Atlanta knows E. T. Watkins, known by his friends as "Dad" Watkins, the "Prescher Engineer," for a number of years locomotive engineer for the Southern Railway, running between Birmingham and Atlanta. Mr. Watkins is one of the oldest engineers in the service of the company. In a recent interview Mr. Watkins said:

"I have been treated by skilled specialists in Birmingham, Atlanta and Richmond, and I guess I have taken about as much medicine as any man, but never have I found anything that helped me as much as Tanlac, and I have spent twelve hundred dollars—a small fortune—trying to regain my health.

"I suffered for twenty-seven long years with stomach trouble, which the doctors told me was caused by catarrhal asthma. Instead of getting better I was getting worse all of the time. I got so that whenever I ate or drank anything it was like taking so much fire into my stomach. I was so run down that when the time came for me to go out on my run, I just simply had to force myself to duty, and when I got in my cab I knew I was in no shape to sit at the throttle. The pains in my stomach and head were so severe I could hardly stand it. About two months ago I had such a severe attack I had to take to the bed, and I just about decided that 'my time had come,' for no man ever suffered more than I did then.

"I practically gave up all hope, but when I began to hear of the remarkable things Tanlac was doing for sick people in Atlanta, many of whom I knew, I bought a bottle. I then began to feel better every day. The first bottle helped me so much I got the second, and the results were simply marvelous. I have taken in all ten bottles, and have never in my life seen anything to equal it. It went straight to my troubles, and was in a hurry about doing it, too. My friends began to ask me what I was doing to myself.

"The change has been so great that I can hardly realize that a short time ago I was such a sick, tired, worn-out, broken-down piece of humanity. I haven't a pain about me now, and have more life and energy than I have had in years. I can eat whatever I please and it doesn't hurt me, and I sleep fine—something I couldn't do before I began taking Tanlac. Tanlac has ended my troubles and you don't know how happy I am over it.

"I believe when a medicine puts a fellow on his feet, like Tanlac has done me, it is nothing but right to come out and tell the people about it through the papers and on the streets, and I wish it were so every poor, sick person in the country could know the good Tanlac has done me. Everybody who knows me—and I know a great many people—knows that it has made a new man out of me."

Tanlac is sold in Columbus by S. B. Street and Son's drug store; in Caledonia by Andrew's drug store.

The Council then resumed the equalization of taxes and continued same until the adjourning hour when an adjournment was taken until the 8th inst. at 7:30 o'clock p. m.
